

Uniform Dwelling Code (UDC) Permits Are REQUIRED For Dwellings

UDC Permits are required for all new dwellings (1 and 2 family) and the installation of HUD code manufactured homes built after April 1, 2007. The UDC permit is required to be issued **BEFORE construction can start. Additional fees (50% more) will be STRICTLY enforced for starting prior to permit issuance.** This UDC permit is in addition to the county zoning permit (if required to be issued by the county).

Please contact the UDC Inspection Agency for information to obtain the UDC permit.
