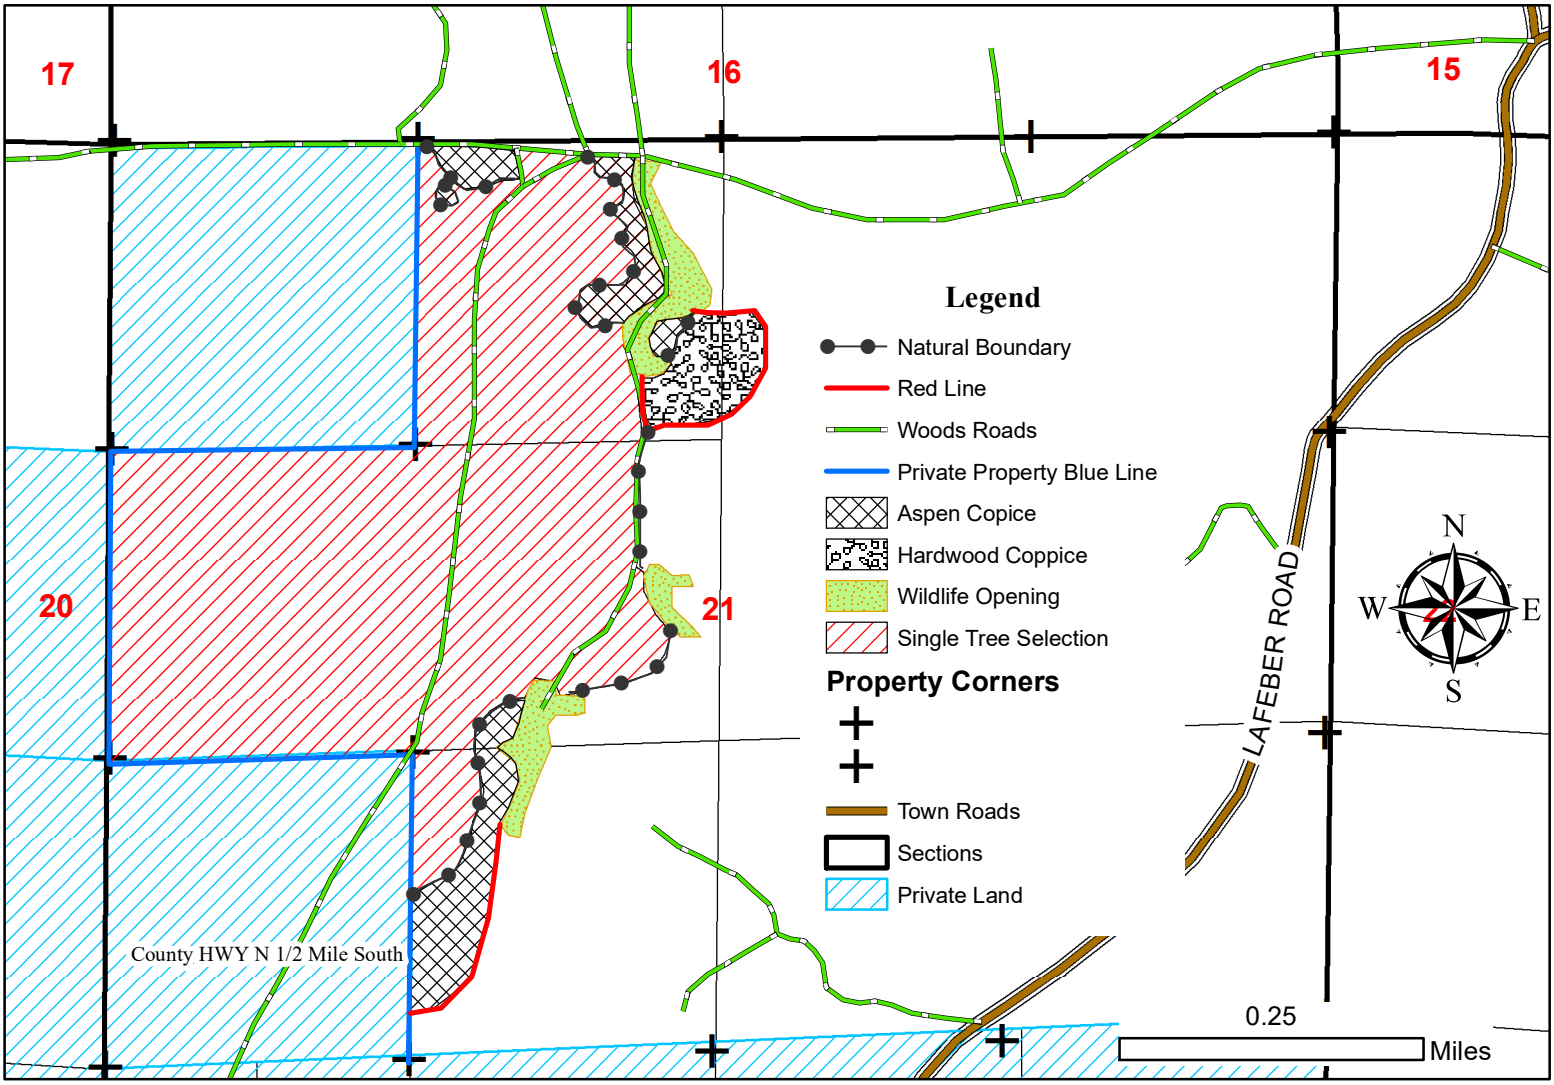
Backdoor Hardwood Timber Sale

Timber Sale Map
Tract# 9-23 (109 Acres)
Sec. 21 T43N- R1W
Town of Jacobs



This map is not an official survey of any property it depicts.

Mapped By Tom Ernst 10-17-23

Cutting Restrictions:

-Dry or frozen ground conditions only
-Excessive rutting or excessive damage to residual trees shall result in the suspension of logging.
-The sale must be cut progressively.
-No new woods roads shall be constructed without prior approval of the county forester.
-Care must be taken to preserve survey monuments.
-Care must be taken to not excessively damage existing saplings.
-Utilize all felled trees to a 4'' minimum top diameter for pulpwood and 10'' for sawlogs.
-Wildlife openings can be used for decking but must be cleared of debris when sale is completed.
-Berm woods roads upon sale completion
-There is winter access off of Lafeber Road. (approximately ¾ mile off main road)
-There is good summer access off Cty HWY N through private property (logger must obtain permissions from land owners first. ½ mile off Cty HWY N)
